I was dispatched to contact the reporting party regarding his generator being stolen from his property. The reporting party had not seen his generator for a couple of months prior to noticing footprints in the snow leading to his trailer/generator. The generator was missing. I gathered information for my report and a description of the generator. No serial number was provided. I will check the pawn listings and classifieds in an attempt to locate the generator.

Responded on a report of a prowler in the area of Woodland Hills. Upon arrival with two Salem police officers, a search of the property inside and outside was conducted. Nothing was found or discovered that was suspicious. It is possible that the noises being heard were ice cycles falling from the house roof. No further action requested by the complainant. WH200
