On 12/13/18 I responded to Woodland Hills on the report of a drone trespassing on the complainants property and recording through her upper windows. I found that the drone was operated by the HOA who was taking pictures of the house next door for sale. The drone did commit the crime of trespassing but the complainant did not want to press charges. The operators were strongly cautioned about drone trespassing.

SYNOPSIS:

On December 17 2018, I made phone contact with an individual working in Woodland Hills on marking utilities for the new fiber lines being installed in the city. The individual wanted to know if there was a way to notify the citizens of Woodland Hills that they would be in the yards of most of the homes in the city so they were aware. I gave him the fire chiefs number. The fire chief stated he could send out an everbridge to the city giving them the information. This case can be closed.

I was dispatched to an abandon 911 call out of Woodland Hills on a residential line. Contact was made with homeowner and everything was ok. If his land line

continues to do this he will contact his phone provider. I will inform him if further calls come through. Homeowner called back and stated work was being done outside his house and he can't even use his land line right now so that must have been the problem.

No Further Actions Taken
