I was dispatched to the listed location on a residential alarm. I have been to this residence on a few other occasions on alarms and have not found any problems. When I arrived I called the homeowner and she answered the phone. I explained there was an alarm and she said that she was home and there were no problems. I explained it showed it was the master bedroom door. She said that she had just let her dog out of the room but she did not know the alarm was set. She said there was not problems at the home.
