ABANDONED VEHICLE:

I responded to a report of a abandoned vehicle in the parking lot of a church. The RP advised it has been there for several days and wanted to make sure the vehicle was not stolen. I responded to the area and located the vehicle. I did a check of the license plate and vin and found the vehicle has not been reported stolen. Due to the registered owner being out of California I was unable to find a phone number to determine a disposition. I then cleared the call. WH400

CIVIL PROBLEM:

I was dispatched to a report of an abandoned vehicle. I made contact with the RP who advised her boyfriends daughter had left her vehicle on his property in Woodland Hills. The RP said her boyfriend in is Arizona at the time in the hospital and he has no contact with his daughter and doesn't know why her vehicle is at his home. I advised the RP that since the vehicle is parked on his property I could not have the vehicle towed but he could do a private party impound on the vehicle. I explained this was a civil matter and I had no authority to tow the vehicle. I then cleared the call. WH200

The home owner could not explain how the box had been opened, but he was concerned about identity theft from someone hacking into his phone system.
