Report of alarm interior garage door. Alarm company did not make contact with the home owner.

When I arrived I spoke with the home owner who said he has been home most of the afternoon and the alarm company has not called him. It was later determined the alarm company was calling the owner of the property business phone and not the primary phone listed.

I updated the name file records. WH200

Utah Valley Dispatch Center received an alarm call from ADT Alarm Company regarding a downstairs entrance alarm at a Woodland Hills residence. I was assigned to the detail and responded to the home. An open basement door was located and the home was checked. Nothing appeared to be out of place and the home was secured as best as possible. I requested Utah Valley Dispatch Center relay that information to the alarm company to have it relayed to the home owner. No further action was taken by this Deputy at this time. WH300
