On Aug. 1 2013, I was dispatched to the Woodland Hills Park for juveniles being loud in the park. The reporting party did not want to leave any contact information. I arrived and noticed several cars at the park and rolled down my windows to listen to any noise. The juveniles were very quiet and were not making noises.

I walked to the park grass where the juveniles were and spoke to them. They were on blankets watching the stars, being very well behaved. I advised them to

make sure they stay quiet and observe juvenile curfew times. WH200

No further actions taken.

WEAPON OFFENSE:

NO VIDEO OF INCIDENT:

I was dispatched to a report of a weapon offense. While en route to the call I made contact with the RP by phone and she advised she had made a mistake.

She said her husband and her had been watching a deer in their back yard with a arrow in its head and then noticed a man out with the deer. She said she thought it was a hunter and reported it. She said after she called she found out the man was her son who she thought was asleep. She said they looked for the deer but was unable to find it or a blood trail. I then cleared the call.
